Parking Meters are enforced Monday through Saturday, 9 a.m. to 6 p.m. to assure an adequate turn-over of spaces for your convenience.

Street meters have a three hour time limit and meters in parking lots offer three and ten hour limits. Charge your parking to your credit card at most on-street meters, or, for contactless payment, download the Parkmobile app, or use your cell phone to call the telephone number on the meter and follow the prompts. Pay stations in the Elks Parking Lot accept coin, bills, credit cards, and Parkmobile. Register your parking session with your license plate.

Electric Vehicle Charging stations are available in the Darling Parking Lot. There is no charge for this service above the normal meter fee. (two meters are located at the back of the Darling Lot - Block K - to the left of the railroad tracks)
